### Subcommittee Updates:

- **Save Paper @ ASU!**

Intention of the Subcommittee: To develop a list of Sustainability Options for the on-campus magazines and printed publications.

- **Next meeting end of January**
- **Contact Sheyenne to join**

- **Sustainable Purchasing Toolkit**

Intention of the Subcommittee: We are working to create a user-friendly Sustainable Purchasing Toolkit. The goal is to make the [Sustainable Purchasing Guidelines](#) usable by everyone at ASU

- **Update:** BF COM has accepted the two flowchart drafts. They will create two flowcharts with some tips and tricks for purchasing sustainably at ASU (with ease)! As of now, they will be available via PDF to share, and will be posted on the ASU Procurement and Sustainability websites. This project is finally coming to an end and we are so excited.

- **Contact Emmerly to join**
