

## 12/7 Sustainability Committee Notes

1. April Sustainable Transportation Month Campaign- JC Porter & Shereen Shaw from ASU Transportation and Parking and Braden Kay from City of Tempe will be at meeting to help brainstorm ideas. Potential ideas:
  - a. “super commuter” stories- highlight staff using sustainable transport
  - b. Incentives- ASU TPS provides free light rail and bus passes for a week
  - c. Email campaign to staff
  - d. The committee came up with plenty of new ideas
    - i. Game days – free light rail transportation
    - ii. For high pollution days, turn into low pollution days and encourage other ways to lower carbon foot print
    - iii. Bike registration events – bike share program – assist people with bike
      1. Some events such as preventing flat tires and information sessions
    - iv. There was test run of the October Coordinated Bike Ride, which went from Tempe Beach Park to Downtown. May promote it next year as a big event.
    - v. Reduced rates for UPass and platinum passes – share and promote
    - vi. Car share – rent car by the hour – departments to set up an account
      1. Can do a lunch and learn with departments and get them signed up
    - vii. Valley metro – Don’t Drive 1 in 5 program – incentives and it tracks your transportation
    - viii. Bike to lunch areas to show the ease to get around areas
    - ix. No cars on campus day – April – use any other transportation means – take pictures to show the impact and set goals for the next year
2. Automatic double-sided printing questionnaire- Cannon, ASU’s printing partner wants to move all print anywhere printers (in libraries & computing commons) to default to print double-sided but would like to gather staff & student feedback before making the switch. Committee please fill out quick 3-question survey and send to their colleagues.
